

**EXT. PARKING LOT - DAY**

Donovan leans against his car while he waits in the parking lot.

A boy playing across the parking lot takes interest in Donovan and notices his gun stashed in his belt line.

Donovan notices the boy watching him and waives to him.

With the boy maintaining his stare with no movement Donovan is aware he noticed his gun.

DONOVAN

Hey little man. Come here quick.

The boy shakes his head no instantly.

DONOVAN (CONT'D)

Come on now.

Donovan opens his trunk and the boy begins to move in hesitantly. When the boy reaches the car he is presented with a toy gun.

DONOVAN (CONT'D)

Here you go kid.

The kid slowly accepts the gift. Donovan turns his right hand into a gun and points it to the sky while holding it with his left hand.

DONOVAN (CONT'D)

Come on Sarge. They went this way.

Donovan squats down at the rear bumper and begins to make his way to the side of the car.

DONOVAN (CONT'D)

Sarge, I need you to cover me.

A smile grows across the boys face and he follows Donovan around the car.

When they make it to the front of the car Robert is standing there.

ROBERT

Did you make a new friend?

DONOVAN

(Nudging the kid)

There he is Sarge. Take him down.

The kid raises his toy gun and fires a few rounds. The RATTLE of the gun goes off a few times causing Donovan and the boy to laugh.

ROBERT  
Teaching violence to the youth of  
America one child at a time?

DONOVAN  
It's a toy. You're supposed to take  
the shot and fall.

ROBERT  
I don't think--

DONOVAN  
Sorry kid, you'll have to excuse  
Mr. Funkillington here. Go on now,  
get home.

The kid runs home with his new toy.

Sean exits the building and joins Robert and Donovan at the car.

SEAN  
You give me shit for leaving but  
here you are.

ROBERT  
The difference is I will be back  
today.

DONOVAN  
Let me ask you something. What do  
you do if a kid pretends to shoot  
you?

SEAN  
Go with it; you take the shot and  
fall down.

DONOVAN  
Exactly.

ROBERT  
You two need to grow up.

SEAN  
You always take the shot.

ROBERT  
I have to go.

He walks to his car.

ROBERT (CONT'D)

Have fun and don't use the company  
card.

DONOVAN

What does he mean don't use the  
company card.

SEAN

In Vegas.

DONOVAN

We're goin' to Vegas?
